

Lesson 36 Activity:

Make a sacramental! This is a craft activity. The rosary is an important sacramental. Bring string and some beads and have students make a one-decade rosary. They can apply an Our Father bead, separated from the ten Hail Mary beads by knots on either side. Maybe even add a small cross. If you can't make a rosary, bring finger rosaries, or have students bring rosaries, and pray as much of the rosary as time allows.
